A Property Finder is defined as an individual or business entity, who, for a fee or other consideration, seeks to locate, deliver, recover, or assist in the recovery of property that is distributable to the owner or presumed abandoned. Pursuant to N.C.G.S. § 116B-52(11a), a Property Finder must be licensed as Private Investigator by the North Carolina Private Protective Services Board pursuant to Chapter 74C of the General Statutes per N.C.G.S. § 116B-78.1(a). Any exemptions under Chapter 74C are not applicable if acting as a Property Finder. Only Licensed Private Investigators may enter into a Property Finder Agreement with a Claimant. Questions concerning licensing should be directed to the Private Protective Services Board at www.ncdps.gov or (919) 788-5320.

Pursuant to N.C.G.S. § 116B-78(f), a Property Finder must register each calendar year with the N.C. Department of State Treasurer (Department) and must pay a \$100.00 registration fee. The fee must be paid via check or money order. Please find attached a registration form for your completion. If the form is not fully completed, it will be returned to you for completion. *Your registration will not be processed until a fully completed registration form and copy of the license issued by the Private Protective Services Board has been submitted, along with either a check or money order in the amount of \$100.00.* You will be notified if your registration has been approved or denied. Note: Registration approval confirmation from the Department must be received prior to executing contracts with potential owners of unclaimed property.

A completed Property Finder Registration Form may be submitted via a secured portal at <https://unclaimed.nccash.com/app/tax-doc-upload> (see screenshot below) using the Finder's Tax ID or SSN listed on the registration form or it may be mailed to the address below. The \$100.00 registration fee should be mailed to the address below, along with a note stating that the registration form has been submitted online.

Property Finders must follow the timing restrictions, disclosure requirements, fee cap, and *all* other requirements of N.C.G.S. § 116B-78 and N.C.G.S. § 116B-78.1 to legally operate within North Carolina. Note: The maximum allowed fee of 20% is ONLY applicable for North Carolina administered estates subject to N.C.G.S. § 28A-22-11 and surplus funds. Per statute, total fees and costs associated with claiming the property shall not exceed 20%. Attorney's fees, court costs, etc. shall be included in the 20% and reduce the fee available to the finder. For estates not administered in North Carolina and for all other property, excluding surplus funds, a maximum allowed fee of 20% or \$1,000.00, whichever is less, would apply. Please note, per Session Law 2021-157, a Property Finder may not qualify to serve as a personal representative per N.C.G.S. § 28A-4-2 (11) and N.C.G.S. § 28A-9-1 (5). Also, per N.C.G.S. § 28A-22-11, agreements with heirs are subject to the provisions of Article 4 of Chapter 116B of the General Statutes.

In order for the Department to monitor compliance with all the requirements of N.C.G.S. § 116B-78 and N.C.G.S. § 116B-78.1, Property Finders **must** follow the steps below to prevent a claim from being denied and possibly suspension of registration with the Department. Please be aware that, due to the attestation required with the electronic signature, Property Finders are prohibited from generating claims online.

- To potentially obtain a claim ID number, Property Finders must complete the *Finder Claim Number Request Form* located on the Department's website and forward the request to Finder@nctreasurer.com. Upon receipt, the Department will review the request and return the spreadsheet with assigned claim ID number(s) for those requests approved to proceed. A claim ID number will not be provided for those requests with incomplete or inaccurate information.
- Once a claim ID number has been provided to a Property Finder, a statutorily compliant finder agreement may be provided via secured portal at <https://unclaimed.nccash.com/app/claim-doc-upload> (see screenshot below) using the claim ID number or may be mailed to:

NC Department of State Treasurer
Unclaimed Property Division
PO Box 20431
Raleigh, NC 27619-0431

- Upon receipt of a statutorily compliant finder agreement, a claim form detailing the properties included in the agreement and the initial evidence needed to begin processing the claim will be emailed to the Property Finder.
- Any required claim documentation may be submitted via the secured portal mentioned above using the claim ID number or may be mailed to:

NC Department of State Treasurer
Unclaimed Property Division
PO Box 20431
Raleigh, NC 27619-0431

- Once the Department receives the claim form and agreement, it may request that you provide additional information to enable the Department to authenticate and evaluate the claim. If you do not respond within 90 days from the date of such request, the claim will be discontinued, at which point a new claim, along with supporting documents, will need to be filed with the Department. Claim status may be viewed online at <https://unclaimed.nccash.com/app/claim-status-search>.
